(feat. Mike Phillips)

When I write the rightness,tightness
It just flows and flows
Pull it from my left side,right brain
Grab it from my neck,my toes
I feel the music sink into me
Go through me,move me,move me
It's a pleasure to be live and thinkin'
It's a pleasure to be in this zone

[Chorus:]

I just let it go
Don't stop this feeling
Chop this feeling
I just let it go
Don't stop this feeling
Chop,chop,no

[Repeat x2]

When I sing the rightness,tightness

It just goes and goes
Pull it from my people's legacy
Way down in my soul
I let the spirit move right to me
Come through me,move me,whoa
it's a
pleasue to be
It's a pleasure to be vocalizing
It's a pleasure to sing this song

[Chorus]

Music is my life
Takes away the strife
Of day to day sorrow and pain
Music is my life
Takes away the strife
And helps me breathe again

[Repeat x2]

[Chorus]

[Mike Phillips solo to end of song]
