### Verse 1

Maybe you don't recognize what you got between ya  
thighs, come on.

So I'm gonna set you right, and I'm starting here  
tonight, well

Shine like the moon and strong like the sea  
More expensive then money more valueable then  
anything

Juicy mango, summer peach

Make a lame man walk and a full man hungry, well,  
well, well, well

### Chrous

And if you don't know what I'm sayin then baby I'm  
tellin you

There's power in them rolling hills, come on  
Your a prized possession, not everybody's worthy  
Only reason I know cause I headed down that road  
And It be a shame for ya not to have ya own glow

### Verse 2

Maybe you don't recognize what you got between yo  
eyes

So I'm gonna set ya corresct so you can get what you  
should get, well

Intution something deep

Let ya know what ya know

Let ya find before you seek

### Chrous

And if you don't know what I'm sayin then baby I'm  
tellin you

There's power in them rolling hills, come on  
Your a prized possession, not everybody's worthy  
Only reason I know cause I headed down that road  
And It be a shame for ya not to have ya own glow

There's power in them rolling hills, come on

Your a prized possession, not everybody's worthy  
Only reason I know cause I headed down that road  
And It be a shame for ya not to have ya own glow

I wanna see ya glow, I wanna see ya grow  
I wanna see ya shine
