Can't believe you're touching me like the way you're  
touching me  
I can feel past your skin into your energy  
Feeling like the moon is under the sheets with us now  
We're glowing so bright and baby I just don't know how

So this is making love  
I can't believe it  
Oooooooooooooh ooh ooh  
So this is making love  
I just couldn't see it

Can't believe the way your lips your lips are kissing  
mine  
I can feel your heart beat beating at the same time  
This is crazy magic, ooba fantastic chemistry  
We're floating so high I swear that we are soaring

So this is making love  
I can't believe it  
Oooooooooooooh ooh ooh oh  
So this is making love  
I just couldn't see it

How did stars get inside the room  
What is this you said we're making  
It's the most perfect tune ever heard  
No words could ever describe it

So this is making love  
I can't believe it  
Ooh ooh ooh ooh oooooh  
So this is making love  
I just couldn't see it

Pleasure beyond pleasure  
No scale no score could measure  
What this is my love

Ooh ooh ooh oooooh ooh ooh  
Yea ea ea ea eah
