(feat. Darius Rucker)

Da Da da da da da...
Da da da da dum da dum
Every time I see you (I see you)
It's good to see you again (hey baby)
You make me feel like I've seen the sun (sun shining)
Your loving let's me know that I'm the only one
And I hear you:

Sometimes I wonder (I wonder how you got so good)
Sometimes I wonder (I wonder how you got so good)
Sometimes I wonder (Wonder how you got so good)
Sometimes I wonder, baby, wonder, baby

Lovin' you is like my dream come true
I want you to know that I'll always be there standing
up for you
From the mountain
From the river
From the root to the to the, baby

Sometimes I wonder (I wonder how you got so good)
Sometimes I wonder (I wonder how you got so good)
Sometimes I wonder (Wonder how you got so good)
Sometimes I wonder, baby, wonder, baby

When I look in to the mirror (What do you see)
I see me and I see you (And how are we)
Joined from the soul
Our hearts together
Just living together in melody baby

Sometimes I wonder (I wonder how we got so good)
Sometimes I wonder (I wonder how we got so good)
Sometimes I wonder (Wonder how we got so good)
Sometimes I wonder, baby, wonder, baby

Living together in melody
In melody
In harmony
In melody

In harmony
In melody, baby
In harmony

We just got this good
In melody
In harmony
