Feeling the way I do
It's hard to keep focus
One minute staring at the moon
Next into your eyes
And it's no surprise
Ooo that my knees weaken
At the lovely words you're speakin'
La la la la
It takes more than diamonds to woo me
La la la
It takes more than money to groove me
Feeling the way I do
It's hard to keep focus
One minute starin at the moon
Next into your eyes
It's no surprise
That my knees get weaknin'
From the lovely words you're speaking
Lalalala
It takes more than diamonds to woo me
Lalalala
It takes more than money to move me
Lalalala
It takes more than ooo material things
Lalala
It takes more than diamond to move me
Lalalala
It takes more than money to groove me
Lalalala
It takes more than cars to get me where I need to go
Don't stop the flow
It takes more than diamonds to move me
Lalalala
It takes more than money baby
Lalalala
It takes more It takes more than material things
Lalalala
It takes more It takes more
Lalalala
It takes more than diamonds to move me
Lalalala
It takes more than money to woo me

Lalalala
It takes more It takes more than material things
Lalalala
To get me goin' baby
