Verse 1:

Sweeeeeeeet Justice  
Climb the Mountain  
Though your hands maybe weary  
Swim the ocean  
Though your legs maybe tired  
Run the extra mile  
Though your stride maybe worn-down  
Fight, Fight, Fight  
Never surrender

Chorus:

Sweeeeeeeet Justice (repeat 1X)

Verse 2:

Many sides to the same face  
Searching, wanting their hour  
So many colors in the spectrum of life  
With right lies the power  
Struggle, Struggle, Struggle, Struggle  
Struggle only makes a man stronger  
If he believes within his heart then he can find it  
He will find it

Chorus:

Sweeeeeeeet Justice (repeat 1X)

Verse3:

Freedom the epitome of life  
Lay your down your burden soldier  
Study, study war no more, no more  
Trust the soul that thrives within you  
Hold strong to your faith  
Continue, Continue, continue on, on

Chorus:

Sweet Justice  
Sweet Sweet Justice  
Sweet Sweet Sweeeeeet Justice

Sweeeeet Justice
