Yeah, yeah, yeah!
I'm glad this week is over,
I need to get away,
Go home and throw my clothes on,
I need you right away!
Can't wait to see you looking lovely,
I hope you're thinking of me,
Cause all I want is time with you
And only nothing more!

So in love with you,
So in love with you,
So! So in love with you,
So in love with you!
So in love with you,
So in love with you,
So in love with you,
So in love with you!

I see you cross the room,
Talking with some me,
I love your mannerisms, babe,
But the way you handle them
Oh, I'm so proud to do you
So attracted to you too,
You're so damn good to me,
In everything you do

Cause I'm so in love with you,
So in love with you,
So! So in love with you,
So in love with you!
So in love with you,
So in love with you,
So in love with you,
So in love with you!

Listen, I'm so in love with you,
That I can't help myself!
Can't help it!
As long as is me and you

We don't need love around!
I've got you!

Got you!
Hey, hey, hey, yeah, yeah,
Oh, make it last forever!

I'm so in love, uhuh
First ting in the morning
When I open my eyes and see you
Hey, hey, I feel like a breath of fresh air
I feel like I can fly,
That I can get by.

So in love with you,
So in love with you,
I'll do anything for you!
Any obstacle that come my way,
So in love with you,
So in love with you!
I'll do anything for you!
So in love with you,
So in love with you,
I feel that I can fly,
So in love with you,
So in love with you!
That I can get bye!
So in love with you,
So in love with you,
Any obstacle that come my way,
So in love with you,
So in love with you,
So in love with you,
So in love with you!

Oh, baby I'll do anything for you!
I'll do anything for you,
I'll do anything!
So in love with you,
So in love with you,
So in love with you,
So in love with you!

Anytime is all right,
If you want me
You're so good to me!
Anytime is all right,
You want me baby, I'm bad!
I'll do anything for you!
