[Verse 1:]

I'm your kitty cat
Love what we do
I have got a taste of every thought of you
You're so strong and so pure
Got me dickmatized and I want some more
Talk strong, daddy
Control your girl
Ooh, yea you got it
You're so thorough
You leave me in a frenzied state
And I can't wait 'til then I imagine

[Chorus:]

I imagine myself on my knees
Waiting for you to come over and see me
I imagine myself on my knees
Waiting for you to come over and need me
I imagine myself on my knees
Waiting for you to come over and feed me
I imagine myself on my knees
Waiting for you to come over and free me

[Verse 2:]

I'm your lioness in the jungle babe
And I'm hungry now
And it's you I crave
I drink you're mind, suga
Consume your soul
Cause you give permission for me to let go
Oh, oh, oh, oh oh, oh
Where you go man
I don't know man
But you take me to another place
And I can't wait until then I imagine

[Chorus]

[Jill adlibs]

When I need to feel sexy
When I need to put it on
Oh baby

All I gotta do it recall

[Bridge:]

Do me real quiet daddy

Just like that

Let me know where your head's at

Feelin' that

Confidence is key

Not every man can handle a woman just like me

I can be with you all of me

Submissive, dominant, freaky

Cause when I blackout

And then I come back

You still meet me in the eye

And you're still hittin' that

Ooh, ooh, ooh, oh, ohhh

Hey oh ooh

[Chorus]

[Jill adlibs]

What I need, for real

When I need to put it on

All I gotta do is recall

All I gotta do is recall

That shit is nice
