Clearly I am not a fat ass  
I am active brain  
and lip smacking peach deep  
sometimes too aggressive in its honesty  
and heart sweet  
that loves whole-ly and completely  
whom it may choose  
whom it ever it may choose  
I am not gonna lie and passify  
i am arms to hold  
I am lips to speak  
I am a muthafreaking "G"  
Strong legs that stroll off the 33 bus  
or out of a money green Phantom comfortably  
Knees that bend to pray  
Clean Ajax washings  
Hair that is thick and soft  
Thighs that be-twixt  
an amazing all expense grand prize  
I am eyes that sing  
smile that brightens  
touch that rings  
and supply euphoric release  
I am Grand Dame Queen Beast  
I am warm  
I am peace  
From Roads of Botswana to 23rd street  
From the inside third eye  
ever watching this wicked wicked system of things  
i do see  
I am friend to pen  
and a lover of strong women  
A diamond to Men  
I am curious and intersted like children  
I welcome the wise to teach  
appreciator of my culture  
Thick not just from bone dense and eat  
I have a rhytm in my ways  
and a practice in my seek  
and yes i do crave the rhythm of my space  
with a man that rejoices in God's Grace  
with faith i do hear to listen

two hands that fist  
when forced pushes to shove  
and your ego won't submit  
I am Gifted  
I am all of this  
and indeed the Shit  
Clearly I am not just an ass
