Jesus was a dreidel spinner
And this we can't forget
Paul was Saul before he was Paul and the last supper
wasn't seder
Jesus was a dreidel spinner
And all his disciples were too
So all you Christians remember
Your Lord was a Jew
So light the menorah
tinsel the tree
give thanks to the wise men and a mega feast
Jesus was a dreidel spinner
Turned water into wine
He did lots of miracles but he never ate pork rind
Christmas is for everyone
Hannukah is too
All you remember
Your Lord was a Jew
Light the menorah
tinsel the tree
give thanks to the wise men and a mega feast
Jesus was a dreidel spinner
And this we can't forget
Paul was Saul before he was Paul and the last supper
wasn't seder
Jesus was a dreidel spinner
And all his disciples were too
So Aryan Nations remember
He didn't look like you
Light the menorah
tinsel the tree
give thanks to the wise men and a mega feast
