If Reagan had been a great actor, and won the
academy award
There'd be no Iran Contra and maybe no Karl Rove
If Hitler had been a great painter, hung out with Pablo
in France
There would be no history channel, and I'd have a lot
more great aunts

If George had stayed in baseball, and really lived his
dream
Became the great commissioner; we wouldn't be in this
mess
God bless the old US,

Put him in the hall of fame
Out of the house of shame
Get George Bush out of the white house and
Put him in the hall of fame

Well he could, conspire, start a secret war
Against the liberal NY Yankees with Cheney and Pete
rose
Overlook the steroids and bring back shoeless Joe
And Halliburton Stadium would be a beauty to behold

If George had stayed in baseball, and really lived his
dream
Became the great commissioner, we'd be better off
today, just let the poor kid play

Put him in the hall of fame
Out of the house of shame
Get George Bush out of the white house and
Put him in the hall of fame
