I sleep with my Boss
But not the way that you think
I fall asleep at his house because We both had too
much to drink.
Oh yeah I sleep with my boss
I'm starting to think that I like it
I'm not sure what kind of move to make to make him
like it too

He's twenty-nine and he's a real good guy
We like watching James Bond Just to pass the time
He's hot Like James Dean and smooth like Steve
McQueen
And between the two of us there ain't a movie we ain't
seen

He stares at me when he thinks I'm not looking

Ooh la la la la la
Ooh la la la la la
Ooh la la la la la

I sleep with my boss

Okay it's kinda how you think
We like to do it on his couch or on the counter next to
his sink
Oh yeah I sleep with my boss
And I haven't got my raise yet
Just kidding
It's a Joke
I swear
I honestly think he's the best

He's always giving me a real hard time
Won't make out with me in public
Says he's just that kind of guy
Well I don't mind because I think he's fine
And when I get him home at night I know that he'll be
mine

He stares at me when he thinks I'm not looking

Ooh la la la la la
Ooh la la la la la
Ooh la la la la la
