She wore a pink dress to the party
She wore her confidence in the air
And everybody turned to look as she walked in
But she was a superficial Make believe character
Whoa woah Jilliane
I thought I really saw you for a second but
Everyone was gathering around you
And It was hard to catch a glimpse through all your
little people

Her boyfriend thinks she is a princess
She wears her crown as she walks around
The little people wanna live inside her kingdom
But her kingdom is crumbling to the ground

I wanna be Her
I wanna be her
I wanna be her
I wanna be her
I wanna be her
I wanna be crass
I want it to last
I want their attention
I wanna be her
I wanna be here
Cause she has things that I don't have

She doesn't mean to be tactless but it seems like no
one cares
She talks an awful lot about herself
But also listens to the little peoples personal affairs
Whoa woah Jilliane
I thought I really saw you for a second but
Everyone was gathering around you
And It was hard to catch a glimpse through all your
little people

I wanna be Her
I wanna be her
I wanna be her
I wanna be her
I wanna be her

I wanna be crass
I want it to last

I want their attention
I wanna be her
I wanna be here

Cause she has things that I don't have
She's like a pretty girl from a magazine ad
And with her airbrushed skin and her cowboy hat
It makes me wonder how it feels to have a life like that.

Woah woah Jilliane
