What in the hell you yelling at me for?  
I've never done shit to you  
But you're shooting off at the mouth like a son of a gun  
And if I didn't know any better I'd say you think being a  
bitch is fun  
Well Hun just run along  
Because I may know who your boyfriend is but I'm not  
trying to jump his junk  
And if he has to put up with the same wrath everyday  
I hope he learns to grow some balls and walk away  
I hate to say it and it may not be true  
But from the way you're acting so uncool then maybe  
you're a crazy

Psycho Psycho Psycho Psycho Psycho Psycho Psycho  
(You're a crazy Psycho maybe You're a crazy  
psychoÂ...)

I was never afraid of your anger before  
That is, not until I tried to walk out your door and leave  
you  
You slammed your fist into the mirror on the wall  
And then it broke into a million pieces and began to fall  
to the floor  
You picked the sharpest piece up  
Pulled up your shirt and then cut into your stomach  
crying  
"LOOK AT WHAT YOU MAKE ME DO!"  
Well boo hoo I don't feel sorry for you anymore  
I'm sick of your games and I think you're insane

Cause you have proven to me that you are just a crazy

Psycho Psycho Psycho Psycho Psycho Psycho Psycho  
(You're a crazy Psycho maybe You're a crazy  
psychoÂ...)

Crazy, Mad, Insane, Demented, Mental case,  
Deranged, A-little-Looney, Psychopathic, Foolish, Out-  
of-your-mind and Screwy. Paranoid, Unbalanced,  
Lunatic, Off of your Chump, and Round the Twist, Silly,  
Absurd and Mad as a Hatter, Nutty, Inane and Off Your

Rocker.

Why you gotta lie to him like that  
Did you really think It would make him take you back  
You say, you've got a bun in the oven  
Because of unprotected lovin'  
Now he couldn't possibly leave you  
Except, it's not true and when he finds out what do you  
think he'll do  
Sit back, relax and say, "Oh baby I still love you".  
I don't think so. Psycho.  
You deserve the karma coming to you.  
I hope that you've learned cause soon the tables will  
turn  
And then you will be the victim of the lying cheating  
pleading crazy

Psycho Psycho Psycho Psycho Psycho Psycho Psycho  
(You're a crazy Psycho maybe You're a crazy  
psychoÂ...)
