Candy hill wit are girl Teairra Mari just get ge ge get it

soon as i wallked in the club did my thing so i put my
hands up,
baby had his eyes on me like he in love
(what) his eyes on me like he in love
the way that i shake like im getin paid
drop it down low make him say hey
loose control and i say go if you dont know
then now you know booo

im so fly im so cool im drapped up from my head to my
shoes
im steady rockin till my heads gone all my bad chicks
put your hands up
im so fly im so cool im drapped up from my head to my
shoes
im steady rockin till my heads gone all my bad chicks
put your hands up

lets go, turn it up, lets go, fill it up, lets go,
lets go ge-ge-get it boy

there was so many fellas in the club tryin to feel my
boob but they pullin
on my uh, fill my glass with some more shon don so i
can hurry up and get gone
you lovin my swag the way i throw it back the way i
make it rain make him say hey
loose control and i say go if you dont know then now
you know boo

im so fly im so cool im drapped up from my head to my
shoes
im steady rockin till my heads gone all my bad chicks
put your hands up
im so fly im so cool im drapped up from my head to my
shoes
im steady rockin till my heads gone all my bad chicks
put your hands up

so suductive took yo mans girl nothin , ice green night
light chain is nothin , tongue grown out , thang poked
out,
use the left side of his brain is right minds out i just
write mine
i take my time, ice on my watch and hes froze in time
when i walked in dude started hockin, kiddy walked in
dogs started walkin
i can let you get it can u throw it to the sky let it go look
at me your girl dont lie i can get you dumped
we can make it hot cus the sun is my zone
i can get you home if u promise me the moon take me
to a suiet
drop it bounce on the room put me a lam i can show u
how i zoom
30 seconds off the end i can show you what a do

im so fly im so cool im drapped up from my head to my
shoes
im steady rockin till my heads gone all my bad chicks
put your hands up
im so fly im so cool im drapped up from my head to my
shoes
im steady rockin till my heads gone all my bad chicks
put your hands up

lets go, turn it up, lets go, fill it up, lets go,
lets go ge-ge-get it boy

im steady rockin til my heads gone, im steady rockin til
my heads gone
