She calls out to the man on the street

"Sir, can you help me?

It's cold and don't know where to sleep,

Is there somewhere you can tell me?"

He walks on, doesn't look back

He pretends he can't hear her

Starts to whistle as he crosses the street

Seems embarrassed to be there

Oh think twice, 'cause it's another day for

You and me in paradise

Oh think twice, 'cause it's just another day for you,

You and me in paradise

Think about it

She calls out to the man on the street

He can see she's been crying

She's got blisters on the soles of her feet

She can't walk but she's trying

Oh think twice, 'cause it's another day for

You and me in paradise

Oh think twice, 'cause it's just another day for you,

You and me in paradise

Think about it .. ohh.. think about it
Oh lord, is there nothing more anybody can do
Oh lord, there must be something you can say
You can tell by the lines on her face
You can see that she's been there
Probably been moved on from every place
'Cause she didn't fit in there
Oh think twice, 'cause it's another day for
You and me in paradise
Oh think twice, it's just another day for you,
You and me in paradise
Ohhhhhhh
Think about it
Think about it
It's just another day for you and me
Paradise
It's just another day for you and me
In paradise
