This thing called love I just can't handle it

This thing called love and I must get round to it

I ain't ready

Crazy little thing called love

This thing

Called love

and It cries

In a cradle all night

It swings

It jives

It shakes all over like a jelly fish

I kinda like it

Crazy little thing called love

There goes my baby

She knows how to rock 'n' roll

She drives me crazy eeh

She gives me hot and cold fever

Then she leaves me in a cool cool sweat

I gotta be cool, relax, get hip

And get on my track's

Take a back seat, hitch-hike

And take a long ride on my motorbike

Until I'm ready

Crazy little thing called love

This thing called love

and i must get ride away

This thing, called love

and i just can't handle it

until i'm ready,

Crazy little thing called love

Crazy little thing called love

Crazy little thing called love

Crazy little thing called love

Crazy little thing called love...

Yeah...
