I'm driving home for Christmas
I can't wait to see those faces
I'm driving home for Christmas
Yea I'm moving down that line
And it's been so long
But I will be there
I sing this song
To pass the time away
Driving in my car
Driving home for Christmas

It's gonna take some time, but I'll get back
Top to toe in tailbacks
Oh I got red lights all around
But soon there'll be a freeway
My feet on holy ground

So I sing for you
Though you can't hear me
When I get trough
And feel you near me
Driving in my car
Driving home for Christmas
Driving home for Christmas
With a thousand memories

I take look at the driver next to me
He's just the same
Just the same

Top to toe in tailbacks
Ohh I got red lights all around
Driving home for Christmas, yeah
And get my feet on holy ground

So I sing for you
Though you can't hear me
When I get trough
And feel you near me
Driving in my car
Driving home for Christmas

Driving home for Christmas
With a thousand memories
I look at the driver next to me
He's just the same
Driving home
