Why don't you just come right out and say it, don't you  
know it's me you're  
talking to ... ? Ain't no use in trying to overrate it, it's not  
as if  
nobody knew. Try to see it my way from the bottom,  
back before the moss  
turns into mold, we're happily just sitting on the  
problem, watching a  
catastrophe unfold.  
Refrain: SOMEONE'S GONE AND SET THEIR FACE ON  
FIRE. I CAN'T BELIEVE I'VE  
GOT TO DEAL WITH THIS AGAIN. I SAID IT COULDN'T  
HAPPEN TWICE, I GUESS  
THAT  
MAKES ME A LIAR, WOW, THINK OF ALL THE MONEY  
WE'LL HAVE TO SPEND.

Hey, can you hear that little whisper, it is so often  
ignored. No-one ever  
listens for it closely, unless they are intoxicated or  
bored. It is always  
trembling from the panic, panic because everything is  
wrong. We all know  
that nothing here certain, just the same we think that  
we belong.  
(REFRAIN)  
Now why do you suppose I'm wearing pantyhose that  
are a size too small,  
although one size fits all. I am the missing link, I  
brought the kitchen  
sink, I am the reason why your eggs taste so good  
fried.
