"Older than my years"

You say
That it doesn't really matter
But it does
And you say
That my mind is older than my years
You say
It was easy to fall in love with me
But I am younger than you hope that I would be
It can never be the same again

And you say
that you've got a million reasons
to run away
And I new
That your heart was really insecure
What did you need

I shed no tears
I'm older than my years
I shed no tears
I'm older than my years

Why did we just
Let it fall away
We were good friends
That was yesterday
It could never be the same again
Noooww

You say
After everything that we've been tru
I'm on your mind
But I knew
That your heart was with another guy
Why did you lie

I shed no tears
I'm older than my years
I shed no tears
I'm older than my years
