Yeah

She said baby, yeah
I really do I think I love you, oowh
She said honey, yeah
It isn't anything I put above you
That's what she said

I try to get my head down
from the clouds
I'm try to get my feet down
on the ground

But it goes
on and on and on and on and on and on
Nenene goes in my head, woow yeah
And it goes
on and on and on and on and on and on
Every single word she said
woow yeah yeah

Am I crazy, ooh
To thinking that the things I do
To think it's me and you
Am I just hear the things again
Cause you're to good to be treu
So what am I to do, yeah

I try to get my thoughts back to this world
I try to get my head out of this world

But it goes
on and on and on and on and on and on
Nenene goes in my head, woow yeah
And it goes
on and on and on and on and on and on
Every single word she said
woow yeah yeah

Now I'm walking in the sun, yeah yeah yeah
Walking around

Smiling at everyone
And all the things that you just said
Make this a new brand sun shiny day (2x)

on
It goes on
And it goes on and on and on
It goes on and on
And it goes on
yeah yeah
and it goes on and on and on
on and on and on

But it goes
on and on and on and on and on and on
Nenene goes in my head, yeah
And it goes on and on
And it goes
on and on and on and on and on and on
Every single word she said
It's a new bright sun shiny day
