[jamai]

I never thought  
the end would be like this  
the endless love in my mind  
was not what I expected

She ran away  
from her feelings  
but this feeling  
so hard to find

Each night  
[samen]  
I cry myself to sleep  
[jamai]  
wondering why  
[samen]  
she's not next to me  
[jamai]  
love is a wonderful thing  
why must I have this feeling

[samen]  
Why did she leave my life  
[jim]  
why did she have other thoughts  
[samen]  
there is nothing better than this feeling  
[jamai]  
but everytime we get too close  
I tell myself  
nothing's gonna happen

[jim]  
My love for her  
was like God to the world  
and now all I have is rain  
and she gets the sunshine  
oh baby we had a lovely time together  
and now I miss her like crazy  
that's why I'm writing her this letter

Each night  
[samen]  
I cry myself to sleep  
[jim]  
she's not here  
[samen]  
kissing me tenderly  
[jim]  
love is a wonderful thing  
that's why this song for her I sing

Why did she leave my life  
why did she have other thoughts  
[samen]  
there is nothing better than this feeling  
[jim]  
but everytime we get too close  
[samen]  
I tell myself  
there's nothing gonna happen

[jim]  
Yeah I miss you, do you miss me too  
you're so far away from me

[jamai]  
But I have to climb  
that tree and forget she is leaving my life  
leaving my life  
[samen]  
she is leaving my life

There is nothing better than  
this feeling  
[jamai]  
but everytime we get too close  
I tell myself  
[Jim]  
nothing's gonna happen

[jamai]  
No no nothing ..

Why did you leave my life ..
