"Stop"

What could be the matter?
The education, friends, school
Nobody knows the reason of it
Two people arguing, owing to some stupid shit
Friends of each interfere and so I'd like to say

Chorus:
Stop and think before you act
You just walk away and know where you're coming
from
Stop and the consequence is a fact
So leave all your troubles behind you
And damn, you'll be the hero of all times

Life ain't easy you don't hear me say
You just have to take life as simple as you are
Fighting, irritations it's all in your mind
Yeah that's right you should keep it inside
You're the slyest of all, come on sing with me

Chorus:
Stop and think before you act
You just walk away and know where you're coming
from
Stop and the consequence is a fact
So leave all your troubles behind you
And damn, you'll be the hero of all times

Newsflash!
Today a teacher has been shot down by one of his
students
It's the second time this month a teacher has been
killed
He made it as far as the hospital but died just a few
minutes ago due to severe injuries

Chorus:
Stop and think before you act
You just walk away and know where you're coming
from
Stop and the consequence is a fact

So leave all your troubles behind you
And damn, you'll be the hero of all times
