Sometimes I wear a belt to keep my pants from falling
to the floor, and if
my pants should fit without my belt I don't wear it
anymore. Sometimes I
drink a beer for breakfast if there's nothing else to eat,
and if my toes
get cold I'll wrap a pair of socks around my feet. And if
I'm feeling tired
I'll take time out to crawl into my bed, and if I'm bored
with doing one
thing I'll do something else instead. And if I feel like
doing nothing, or
there's nothing to be done, I'll sit and ponder nothing
blankly until
nothing seems like fun
Refrain: Life's fairly easy for me if I try, to sit back and
watch as it
passes me by...
The worst thing to happen to me would be death, my
troubles ain't worth the

attention they get.
Some days I go out of my way to try to catch a pretty
face, sometimes I
think that there's not one worth catching in the whole
damn race. Sometimes
I stare up in the sky and wonder what is really there,
and then on second
thought I decide that I really just don't care. Some days
I wake up in the
morning, and I don't get out of bed, and it always
seems more fun than if
I'd gotten up instead. Sometimes I wear a belt to keep
my pants from
falling to the floor, and if my pants should fit without
my belt I don't
wear it anymore.
(solo) (Refrain 2x)
