When she walked 'round the corner of his life.  
Into the streets of his mind.  
Oh, the highways of love she gave him.  
The highways of love.  
That's when she got in his way  
And that's when their lives got mixed up  
Now he's running away from her  
But she's chasing him down

Chorus:

call me up in time she said  
Don't make up your mind she said  
but he does not want to be tied to her heart  
Call me up in time she said  
Don't make up your mind she said  
But he's tied down with her

So when the roads all kept going downhill  
He decided to create one of his own  
And to break the heart he was tied to  
To break his own fall

Chorus:

call me up in time she said  
Don't make up your mind she said  
but he does not want to be tied to her heart  
Call me up in time she said  
Don't make up your mind she said  
But he's tied down with her

call me up in time she said  
Don't make up your mind she said  
but he does not want to be tied to her heart  
Call me up in time she said  
Don't make up your mind she said  
But he's tied down with her

call me up in time she said  
Don't make up your mind she said  
but he does not want to be tied to her heart  
Call me up in time she said

Don't make up your mind she said  
But he's tied down with her

call me up in time she said  
Don't make up your mind she said  
but he does not want to be tied to her heart  
Call me up in time she said  
Don't make up your mind she said  
But he's tied down with her
