There have been times in my life
I've been wondering why
Still somehow I believed
We'd always survive
Now I'm not sure
You're waiting to hear
One good reason to try
But what more can I say
What's left to provide
You think that maybe it's over
Only if you want it to be
Are you gonna wait for your sign, your miracle
Stand up and fight
This is it, make no mistake where you are
This is it, your back to the corner
This is it, don't be a fool anymore
This is it, the waiting is over
No room to run
No way to hide
No time for wondering why
It's here
The moment is now
About to decide
Let him believe
Or leave him behind
But keep me near in your heart
And know, whatever you do
I'm here by your side
You said that maybe it's over
Not if you don't want it to be
For once in your life, here's your miracle
Stand up and fight
This is it
Make no mistake where you are
This is it
You're going no further
This is it
Until it's over and done
No one can tell you what you know
Who makes the choice of how it goes
It's not up to me this time
You know

There comes a day in every life
This is it
Make no mistake where you are
This is it
You're going no further
This is it
Untill it's over and done
This is it
One way or another
This is it
This is it
Repeat till fade
