[EliZe ft. Jim]

I know it's late
I know you hear me
I know your plans don't include me
Still here we are, both of us lonely
Longing for shelter, from all that we see
Why should we worry, know I will care girl
Look at the stars now, so far away

We've got tonight
Who needs tomorrow
We've got tonight babe
Why don't you stay

Deep in my soul
I felt so lonely
All of my hopes, faded away
I've longed for love
Oh like everyone else does
I know I keep searching after today

So there it is girl
We've got it all now
And here we are babe
What do you say

We've got tonight
Who needs tomorrow
We've got tonight babe
Why don't we stay

I know it's late and I know you're willing
I know you're plans don't include me
Still here we are
Both of us lonely
Both of us lonely

We've got tonight
Who needs tomorrow
Let's make it last

Let's find a way
Turn out the lights yeah
Come take my hand now
We've got tonight babe
Why don't we stay

We've got tonight babe why don't we stay
