From the Moment I saw you,  
From the moment I looked into your eyes  
There was something about you  
I knew I knew  
That you were once in a life time  
A treasure near impossible to find  
And I know how lucky I am to have you

Chorus:

Cause I've seen the rainbows that can take your breath  
away  
The beauty of the setting sun that ends a perfect day  
And when it comes to shooting stars, I've seen a few  
But I've never seen anything...as beautiful as you

Holding you in my arms  
No one else has fit so perfectly  
I could dance forever with you, with you  
And at the stroke of midnight  
Please forgive me if I can't let go  
Cause I never dreamed I'd find a Cinderella of my own

Chorus:

Cause I've seen the rainbows that can take your breath  
away  
The beauty of the setting sun that ends a perfect day  
And when it comes to shooting stars, I've seen a few  
But I've never seen anything...as beautiful as you

Chorus repeat:

Cause I've seen the rainbows that can take your breath  
away  
The beauty of the setting sun that ends a perfect day  
And when it comes to shooting stars, I've seen a few  
But I've never seen anything...  
Oh Oh, Oh no, I've never seen anything...as beautiful as  
you

From the moment I saw you,  
From the moment I looked into your eyes...
