What if I never knew
What if I never found you
I never had
This feeling in my heart

How did this come to be
I don't know how you found me
But from the moment I saw you
Deep inside my heart I knew

Chorus:
Baby you're my destiny
You and I were meant to be
With all my heart and soul
I'll give my love to have and hold
And as far as I can see
You were always meant to be
My destiny

Oooohhhhh
I wanted someone like you
Someone that I could hold on to
And give my love until the end
Of time

Oohhh
But forever was just a word (just a word)
Something I'd only heard about
But now you're always there for me
When you say forever I believe

Chorus:
Baby you're my destiny
You and I were meant to be
With all my heart and soul
I'll give my love to have and hold
And as far as I can see
You were always meant to be
My destiny

Oooooohhhh

Maybe all we need
Is just a little faith
Cuz baby I believe
That love will find a way

Heyyyyyyyy

Ohhh

Baby you're my destiny
You and I were meant to be
With all my heart and soul
I'll give my love to have and hold
And as far as I can see
From now until eternity
You were always meant to be
My destiny

You're my destiny
Yeahh yeahh oohhh
