Look at me now
I thought I was near the end
Then you came along
When I needed a friend
And you made me love again

(Chorus)

Somehow you found me
Wrapped your love around me
Now my head's up in the clouds
When I'm around you
I just wanna say, everyday
Thank God I found you
I will move heaven and earth
Give you my heart, for all that its worth
You are mine 'til the end of time
I don't care what we're going through
'Til the end, my heart belongs to you.

You are my heart
You are my everything
The moon and the stars
And the air that I breath
And you gave me strength again

{Repeat Chorus}

You know why I'm love shy
I don't want to hurt anymore
I've been hurt before
And I know I
I'm saving my love for you
I'm gonna keep you safe and warm
I do love you

Now my head's up in the clouds
When I'm around you
I just wanna say, everyday
Thank God I found you

I will move heaven and earth
Give you my heart, for all that its worth
You are mine 'til the end of time
I don't care what we're going through
'Til the end my heart belongs to you

My heart belongs to you.
