It's not the flowers wrapped in fancy paper  
It's not the ring I wear around my finger  
There's nothing in all the world I need  
When I have you here beside me, here beside me

So you could give me wings to fly  
And catch me if I fall  
Or pull the stars down from the sky  
So I could wish on them all

But I couldn't ask for more  
'Cause your love is the greatest gift of all

In your arms, I found a strength inside me  
And in your eyes there's a light to guide me  
I would be lost without you  
And all that my heart could ever want has come true

So you could give me wings to fly  
And catch me if I fall  
Or pull the stars down from the sky  
So I could wish on them all

But I couldn't ask for more  
'Cause your love is the greatest gift of all

You could offer me the sun, the moon  
And I would still believe  
You gave me everything  
When you gave your heart to me

But I couldn't ask for more  
'Cause your love is the greatest gift of all

You could give me wings to fly  
And catch me if I fall  
Pull the stars down from the sky  
So I could wish on them all

But I couldn't ask for more  
'Cause your love is the greatest gift of all  
Your love is the greatest gift of all

The greatest gift of all
