Could be, who knows?
There's something due any day
I will know right away, soon as it shows
It may come cannonballing down through the sky
Gleam in its eye, bright as a rose

Who knows? It's only just out of reach
Down the block, on a beach, under a tree
I got a feeling there's a miracle due
Gonna come true, coming to me

Could it be? Yes, it could
Something's coming, something good, if I can wait
Something's coming, I don't know what it is
But it is gonna be great

With a click, with a shock
Phone'll jingle, door'll knock, open the latch
Something's coming, don't know when
But it's soon, catch the moon, one-handed catch

Around the corner
Or whistling down the river
Come on, deliver to me
Will it be? Yes, it will
Maybe just by holding still, It'll be there

Come on, something, come on in, don't be shy
Meet a guy, pull up a chair, the air is humming
And something great is coming
Who knows? It's only just out of reach
Down the block, on a beach, maybe tonight
