I wanna tell you what love is  
I ain't gonna tell a lie  
Love is a five letter word  
It's simply M-O-N-E-Y

Cause love without finance  
Is like the shirt without the tie  
Love is a five letter word  
It's simply M-O-N-E-Y

You can't live on kisses  
Or a warm embrace  
In case your charm misses  
You better have some cash to take it's place  
Sweet talk comes easy  
And you know sometimes sweet talk gets you by  
But love is a five letter word  
It's simply M-O-N-E-Y

You can let the poets write of love-a  
It sounds real good I can't deny it  
You know they're right about the stars up above  
They write about the moon up in the sky  
But I'll tell you what's happening  
Without it you ain't got a thing  
But you got some money honey  
And they will treat you like a king  
And that's cause

You can't live on kisses  
Or a warm embrace  
In case your charm misses  
You better have some cash to take it's place  
Sweet talk come easy  
Sometime(s) it get you by  
But love is a five letter word  
It's simply M-O-N-E-Y

You just can't live on kisses  
Or a warm embrace  
Well now n case your charm misses

You better have some cash to take it's place  
Sweet talk comes easy  
Baby sometimes sweet talk it gets you by  
But love is a five letter word  
It's simply M-O-N-E-Y

Talk about my honey  
I need love but I need money too  
Can't live on kisses baby  
M-O-N-E-Y  
Love that's a many splendored thing boy  
Ah ha kiddin' yourself money's more  
I need some money  
Ah lady  
I need M-O-N-E-Y
