You don't know like I know  
What that woman has done for me  
In the morning she's my water  
In the evening she's my cup of tea

As long as I live  
Whenever troubles arise  
I go to her and like a miracle everything feels alright

You don't know like I know  
What that woman has done for me  
She brings her lovin' home now  
Just the way it's supposed to be  
What she wants  
She can get  
Tender lovin'  
Til she ready  
Til she ready  
Til she ready to break

Huh!

Somebody help me now

SAX SOLO

As long as I live  
Whenever troubles arise  
I go to her and like a miracle everything is alright

You don't know like I know  
What that woman has done for me  
In the morning she's my water  
In the evening she's my cup of tea

Nobody knows  
Nobody knows  
Nobody knows like I know  
You don't know the woman like I know the woman  
Nobody knows

You don't know the woman like I know the woman  
Nobody knows

You don't know like I know

I said you don't know like I know  
Nobody knows

Aaaaaah!
