(CHORUS)

Gotta see the lights of Tucson  
Gotta pack, come on, get a move on  
Gotta see the lights of Tucson  
Ain't coming back  
Wheels, get a move on

Just read my little woman's letter  
Said she can't live unless  
I'm here to get her

But Tucson  
My heart is yearning  
Like Bronson  
My wheels are turning

Can't wait to be there with her  
High in the Catalinas  
The lights of Tucson  
Shining in her eyes

I'll never be a loner  
Way out in Arizona  
Painted deserts reaching the sky

(CHORUS) 2X
