Eve, there's a woman in your eyes
Oh, Eve, you made me realize
Eve, give me a smile
Oh, Eve, you're only a child

But it's making me
Turn my head all the time
Cause looking at your face
Is like seeing the sunshine

Eve, I'll never let you down
Oh, Eve, I'll always be around

And it's making me
Turn my head all the time
Cause looking at your face
Is like seeing the sunshine

Oh, Eve, give me a smile
Oh, Eve, you're only a child
