When I said I needed you
Did you think it was
Just a way to get to you
Cause I was feeling lost

You said something
I didn't understand
But I felt something
When you held my hand

It's all right, it's all right

Every day when I wake up
Sorrow is my friend
And everywhere I look, I see
Those people who pretend

If you want my loving
Then it's all right
And if you want my loving
You can have it tonight
And it's all right

Everywhere I'm walking
In a prison made of wire
Thinking bout the way you move
Sets my heart on fire

There is no one else
That turns me on
Thinking about you, lady
Makes me so strong

And it's all right
It's all right

Yeah, it's all right
Don't you know it's all right
Baby, don't you know
Baby, don't you know

It's all right

Yeah, it's all right
Baby, baby, don't you know
That it's all right

Don't you know it's all right
(It's all right, it's all right)
Don't you know it's alright
(It's all right, it's all right)
Don't you know it's alright
(It's all right, it's all right)
Don't you know it's alright...
