You know I've had my share
Of dealing with despair
I'm tired of seeing my dreams
Vanish in the air

Enough of users and
All them two time losers
I've seen that killing floor
But I just won't take no more

So I'm gonna
Move out on the highway
Head on down the road
Leaving it all behind

Had enough of lying
There'll be no more
Crying this time

(CHORUS)
Living on the edge
Running with the wind
Soaring to the heights
On an eagle's wing

Wanna see your spirit flying free
Step outside your mind
And cross over the line

Don't spend your lifetime weeping
For things that ain't worth keeping
Life can be so short and
You know everybody's bought

So I'm gonna
Move out on the highway
Head on down the road
Leaving it all behind

There's been too much lying
There'll be no more
Crying this time

(CHORUS)
Living on the edge

It's time to go down to Mexico
Mescalito's song will
Help you to be strong

So just move on
Down the highway
Head on down the road
Leaving it all behind

Had enough of lying
There'll be no more
Crying this time

(CHORUS)

Yeah, you're
(CHORUS) 3X to fade
