You say you want me to be something different
But I've been me for all my life
I guess you can't realize
I own all my average t-shirts
While you have your short skirts
I don't complain about it though

I can't do anything all at once
I can't be those super rich people
But I make the most of it anyways
So don't have any more to say
I won't be someone else just for today
And I'm gonna live that way

Oh, I don't want to change
This is who I am now
But you think you know me
Oh, I will still be me
Even when there's darkness
I'm gonna be hanging on
Yeah, I can't be no one else
Cause what you see is what you get
I have nothing to regret
Oh, I ain't gonna change

What happened in the summer?
When everything used to be so good
We saw each other every day
I was always in a good mood
It doesn't feel like yesterday anymore
Always slamming the door

Don't wish for someone you want me to be
Cause I'm all that I can be
I would never do that to you
No, I ain't blind
I'd rather make up my own mind
You better get to know what's inside!

Oh, I don't want to change
This is who I am now

Of course I'll change for the better
But now for something that you want
That doesn't even matter that much
You just gotta let it go and move on

Oh, I don't want to change
(Ohhhhhhhhhhhhhhhhhhhhhhhhhhhhhh)
This is who I am now
But you think you know me
Oh, I will still be me (meeeeeeeeee)
Even when there's darkness
I'm gonna be hanging on (Oh Yeah!)
Yeah, I can't be no one else
Cause what you see is what you get
I have nothing to regret (no)
Oh, I ain't gonna change!!!!!!
