It's such a cold night
Wondering through paradise
But this paradise is not what it seems
It's just like anything else
You see all the time

See all these strangers around me
Even though I don't look at them
They're looking at me
It feels like I'm in a different world
And it doesn't feel the same

Someone (Someone)
Please just (Just)
Get me out of here
Because I (I)
Feel afraid (Afraid)
When I don't know where I'm going

Somebody take me away from this City
I'm getting lost, lost in this city of lights
Feel like I'm fading away in to this City
Fading to where I can never get out
I don't wanna be the one who cries
When I know I can't take care of myself
I don't wanna sleep in the dark alleys
Because I would be just so afraid
Even with getting home is on my mind
And I know that I'm wasting my time
Somebody take me away from the City
Take me from the city to my home

Flaaooooo yeah, yeah

A girl can get lost
Lost in these deep city lights
Sure, it's all fascinating
But once you're lost trying to find your home
It can be so frightening

Aren't you trying to find me?
Aren't you atleast wondering where I am

Home is a place where I'd rather be
So you just gotta see
That you can't get through anything easily

Someone (Someone)
Please just (Just)
Get me out of here (I feel)
Because I (I)
Feel afraid (Afraid)
When I don't know where I'm going (Ooooooh oooooh)

Somebody take me away from this City (Take me away)
I'm getting lost, lost in this city of lights (Ohhhhh)
Feel like I'm fading away in to this City
Fading to where I can never get out (Oh-oh-oh)
I don't wanna be the one who cries (I don't wanna be
the one)
When I know I can't take care of myself
I don't wanna sleep in the dark alleys (Oh, I don't
wanna)
Because I would be just so afraid
Even with getting home is on my mind (Take me home)
And I know that I'm wasting my time
Somebody take me away from the City
Take me from the city to my home (Take me from the
city)

Take me, home
Hold me in your arms, again
Take me, home
Get me out of this place yeah
Take me, home
Da da, da da da
I have no reason to be gone
There is nothing to hold on
Don't wanna be by myself
Don't wanna be surrounded
By people I don't know
Aren't you trying to find me?
Won't you please take hoooooome

Wondering through paradise
But this paradise is not what it seems
It's just like anything else
You see all the time
All of the time
Ooh woah

Someone (Someone)
Please just (Just)
Get me out of here (Somebody)

Somebody take me away from this City (Ohhhhhhhh)
I'm getting lost, lost in this city of lights (Oh-oh)
Feel like I'm fading away in to this City (City of lights)
Fading to where I can never get out
I don't wanna be the one who cries (I don't wanna sleep
in the dark alleys)
When I know I can't take care of myself (By myself)
I don't wanna sleep in the dark alleys (I don't wanna be
the one who cries)
Because I would be just so afraid (Even with)
Even with getting home is on my mind
And I know that I'm wasting my time (Somebody take
me away)
Somebody take me away from the City (To my home)
Take me from the city to my home

Somebody take me away from this City (Heyyyyyyyyy!)
(I'm getting lost, lost in this city of lights)
(Feel like I'm fading away in to this City)
Fading to where I can never get out (oooooooh)
I don't wanna be the one who cries (And I)
(When I know I can't take care of myself)
I don't wanna sleep in the dark alleys (Flaooooo yeah)
(Because I would be just so afraid)
(Even with getting home is on my mind)
And I know that I'm wasting my time (Take me away
from the city)
(Somebody take me away from the City)
(Take me from the city to my home)

I'm lost in this city of lights
