Hey there!
(Hey there)
Oh yeah
Hey there
You, baby
Hey there
(Hey there)
I say, I say
Yeah yeah yeah
Hey there
(Hey, there)
You got me
I'll be
Oh oh, oh oh, oh oh...

Tripping out just seems what I like to do
Going into super fast motion everyday
Super excited, super lighted
Electronics, it's what I got it
Pop just seems like a word
For to get everyone moving
It's like a firecracker, going off in me
Time seems to run by so fast

Oh Oh
(Oh Oh)
I wanna hear ya say
Oh Oh
(Oh Oh)
Can't you see
What I'm doing

You gotta love it
Hear me, see me
Going around in circles
Like I don't know what I'm doing
The sky turns to orange instantly
Hyperactive motion
Feel no emotion
Drink that soda pop, cherry pop
Boom boom is what I hear
Hearing those type of music

Techno pop, power pop
Dance till you can't anymore
Feeling super human nothing can stop me
Before I know it, it went from day to night

Ya got my head right where I see me spinning
It's got me losing control
Can't help it, somebody help me
Before I'm about to lose it
(P-p-p-p-pop, pop, d-d-d-d-dance, dance)

I got me losing control right now
Having that freaky smile on me
Well, I can't get it off now
Seeing people laugh at me
Or cheer at me, scream at me
Don't really care cause I'm
I'm in my own place right now
You should come with me to see what I feel

Oh Oh (Oh Oh)
(Oh Oh) (Hey)
I wanna hear ya say (I'll hear you say)
Oh Oh (Uh)
(Oh Oh) (Whoa)
Can't you see
What I'm doing

You gotta love it
Hear me, see me
Going around in circles
Like I don't know what I'm doing
The sky turns to orange instantly
Hyperactive motion
Feel no emotion
Drink that soda pop, cherry pop
Boom boom is what I hear
Hearing those type of music
Techno pop, power pop
Dance till you can't anymore
Feeling super human nothing can stop me
Before I know it, it went from day to night

Ya got my head right where I see me spinning
(Ohohohohhohwowaah)
It's got me losing control (Lose control)
Can't help it, somebody help me (Nothing can stop me now)
Before I'm about to lose it
(P-p-p-p-pop, pop, d-d-d-d-dance, dance)
(You know you wanna have it baby)

Don't release me from this curse I'm in
Cause I'm way on top
And I can't let go
So don't shoot me down
Because you don't know
How exciting this is
The day went to night instantly
But I be staying up all night
All night, day and night
Day and night, tonight

Stop!
Listen to me for a second...
Zooooooooooooom...

Electronic
Technomatic
Top chartin'
Feeling electric
So romantic
Being humble
Power pop
Electropop
Rock pop
Soda pop
Cherry pop
Girly pop
Punk pop
Dance pop
Hip-hop
Love that pop
Have some pop

Make your move
You rock it like you're suppose to
While I'm, tripping out over here
I ain't got nothing to say, say
Cause it makes me wanna play! (Wanna play!)

You gotta love it
Can't you hear me?
Can't you see me?
I can see the sky turning orange, yeah
I be feeling no emotion
Boom boom, hey hey
I be hearing:
Techno pop, power pop
Just dance with me
Feel like a superhuman!
Whoa, now

You gotta love it
Hear me, see me
Going around in circles
Like I don't know what I'm doing
The sky turns to orange instantly
Hyperactive motion
Feel no emotion
Drink that soda pop, cherry pop
Boom boom is what I hear
Hearing those type of music
Techno pop, power pop
Dance till you can't anymore
Feeling super human nothing can stop me
Before I know it, it went from day to night

Ya got my head right where I see me spinning (I got me
going crazy)
It's got me losing control (I wanna be your baby)
Can't help it, somebody help me (I really wish you
knew, where I do)
Before I'm about to lose it (Can't take my eyes off you)
(P-p-p-p-p-pop, pop, d-d-d-d-dance, dance)
(Ohhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh)
(Shake it like that)

Ya got my head right where I see me spinning (Won't
you show me baby)
It's got me losing control (Oh baby, give it to me)
Can't help it, somebody help me (I'll be okay, baby)
Before I'm about to lose it (So just come with me)
(P-p-p-p-p-pop, pop, d-d-d-d-dance, dance) (I'll get you
where I am now)
(I don't wanna shake it off)

Oh Oh Oh Oh Oh Oh
Give it to me baby, now
Oh Oh Oh Oh Oh Oh (Oh Oh)
Can you see me where I am
Oh Oh Oh Oh Oh Oh (You know)
Give it to me baby, now (You're looking at me)
Oh Oh Oh Oh Oh Oh (You want it too I know it)
Can you see me where I am (Uh huh)
(Fade)
