Rocking out having a good time
This dance floor is all mine
Don't be a fool, dance with me
You'll have the time of your life
The lights be shining everywhere
Feeling like a superstar
I'm feeling unstoppable
But something feels left out

Everybody!
Join me and dance
Release the tension
Don't worry about anything
Everybody!
Come on let me see ya move it
Don't be afraid just
Show me what ya got
Everybody!
Gonna last all night long
Wish it would never end
Oh, never end!

Come on now, you gotta lose control
It's easier than you think
Forget what everyone says
Just be yourself
All there is to it
So come with me (Come with me)
It's like a rollercoaster
Riding up and down oh!

Everybody!
Join me and dance
Release the tension
Don't worry about anything
Everybody!
Come on let me see ya move it
Don't be afraid just
Show me what ya got
Everybody!
Gonna last all night long
Wish it would never end

Oh, never end! (Never eeeeeennnddd)

Everybody! (Yeah)
Join me and dance
Release the tension
Don't worry about anything
Everybody! (Everybody)
Come on let me see ya move it
Don't be afraid just
Show me what ya got (Ohohohoh)
Everybody! (Ohh)
Gonna last all night long (All night long)
Wish it would never end (Wish it would never end)
(Oh) Oh, never end!

Just dance like there's no tomorrow
Gonna be the night of our lives
