Oooooooooooooooooooooooooohhhhhhhhhhhhh...

Don't you know that we're one and the same  
I know everything about you  
That is all I need to know  
But you feel that you can't make it  
Just yesterday you acted like you hated me for some  
reason  
And it actually kind of scared me  
I asked you what made you be like that?  
And you said you can't remember  
Well, you know I'm here for you  
This may be now, but I want it to be forever

I don't want you gone  
We can be strong  
Just gotta have a little patience  
I feel you everywhere  
Even in the air  
But don't you feel me too?  
Don't give up on me now  
This is no time to stand around  
Just make it strong  
You just gotta have the faith

I won't let you go, no  
But don't let me go  
We've been through so much  
Yet we made it through  
So how come we're struggling on this  
Even for the longest time?  
I just don't know, oh  
But we have to wait  
No matter how long it takes  
Just promise you'll be there with meeeeeee...

I don't want you gone  
We can be strong  
Just gotta have a little patience  
I feel you everywhere  
Even in the air

But don't you feel me too?  
Don't give up on me now  
This is no time to stand around  
Just make it strong  
You just gotta have the faith

On and on  
Make it strong  
You're my one in a million  
Don't let it go  
You need to know  
That we're gonna have to do this  
Sooner or later as long as we're together  
We'll always make it through  
On and on  
All you need to have is the faith

Oh, being with you gets me this way  
I just feel the magic in me  
That's why I want you to stay  
Cause without you  
I don't know what I'd do  
So don't leave me now  
Cause I know what to do  
And I need you here with me  
All of the time!  
(Just keep the faith)

I don't want you gone (Ohhhhhhhhhhhhhhhhhhhhhhh)  
We can be strong  
Just gotta have a little patience (Just have a little)  
I feel you everywhere  
Even in the air  
But don't you feel me too? (Don't you feel me too?)  
Don't give up on me now  
This is no time to stand around (Just make it strong)  
Just make it strong  
You just gotta have the faith (You gotta have the faith)

On and on (On and on)  
Make it strong (Make it strong)  
You're my one in a million  
Don't let it go  
You need to know  
That we're gonna have to do this (You know)  
Sooner or later as long as we're together (As long as  
we're together)  
We'll always make it through (We'll always make it  
through)  
On and on (On and on)  
All you need to have is the faith

Make it strong  
Just keep your faith
