I'm giving up on you

I can't count how many times  
I tried to keep our love alive  
But I can't keep on trying  
And failing in the end  
So many times  
You didn't even help me  
When I needed help  
Got me so confused  
Now the lesson is learned  
I learned from you  
Now I'm stronger and  
Left me with a clue  
I won't make the same mistake again!

I'm giving up on you  
Up on you, up on you  
Don't tell me you're sorry  
Sorry, sorry  
I can't wait to let you go  
Let you go, let you go  
And I'm ready to go on  
Go on, go on...  
But, tell me  
Are you ready to go on without me?  
I'm giving up on you

Up on you, up on you, up on you...

I can't help but feel good  
Now this trouble is over with  
And yes, finally  
I've been more sure of what to do  
Because of you  
I learned from mistakes  
I won't have to make again  
Cause it lost my attention  
I wasn't defending myself  
But I tried the hardest I could  
Lost my aggression

I was so curious when I met you  
But there's nothing you can do  
To change my mind! (Now)

I'm giving up on you (You)  
Up on you, up on you  
Don't tell me you're sorry  
Sorry, sorry (Sorry)  
I can't wait to let you go (Ohhhhhhhhhhhh)  
Let you go, let you go  
And I'm ready to go on (Cause I'm moving on)  
Go on, go on...  
But, tell me  
Are you ready to go on without me? (Without me)  
I'm giving up on you  
Yeah Yeah  
Ooh

I'm ready to live my life  
I hope that this time  
I'm not gonna give up again  
Cause it's not worth it if  
I try so hard  
And I still lose in the end  
But it's just fine, just fine  
Cause I can't wait  
No no no!

I'm giving up on you  
Up on you, up on you  
I'm giving up on you  
Up on you, up on you  
I'm giving up on you (I'm just giving up)  
Up on you, up on you  
Don't tell me you're sorry (Don't even try it)  
Sorry, sorry  
I can't wait to let you go (let go)  
Let you go, let you go  
And I'm ready to go on  
Go on, go on... (Go on)  
But, tell me (Tell me now)  
Are you ready to go on without me?  
(Oooooohohohoh)  
I'm giving up on you (Up on you)  
Up on you, up on you, up on you...  
Oh Oh
