I always thought the world was against me
I always thought I had the worst luck
And I always had tons of doubts
Always thought everyone hated me

But then that all changed
When you came in my life
I felt an amazing presence
I felt like I was in heaven

I knew all my worries were gone
All the darkness disappeared
I can see the light everywhere
All my tears have just dried
And I know this is because
It's coming from your halo
Haloooooooo

Ohooooohh...

I feel so safe when you're around
I can be me when I'm with you
But there is a new me now
But it feels better than ever

You cover me with your light
And I can feel you everywhere
And there is sparkles in the air
Each one invading the space of dark

I knew all my worries were gone
All the darkness disappeared
I can see the light everywhere
All my tears have just dried
And I know this is because
It's coming from your halo
Haloooooooo

Oooooooooooooohhhhhhhh

Haloooooooo

Ohoh, ohoh, ohoh...

Wooaahh...

(I knew all my worries were gone)
(All the darkness disappeared)
I can see the light everywhere
All my tears have just dried
And I know this is because
(It's coming from your halo)
Coming from your haloooooooooooo
Oh... ooohhohoooooh
Haloooooooo
Ohooooh, ohooh, ohooh...

I'm not afraid anymore
Now that I feel your halo
