It's just out of this world
Can't explain the feeling
But what you're doing to me
Just makes me happy
I really can't help but smile
And it's gotta be love
Cause I can feel it
But I gotta know more about it

All the worry just disappears
I have nothing left to fear
Cause this is what I'm feeling

I'm just hovering in the air
Right above love I'm about to fall in
I hope this gets me somewhere
Cause I don't wanna be lost
You fill my head each day
And I won't deny it
Think I'm going the right way
I'm about to fall in love
(Da-da-da, da-da-da, da-da-da da)
Yeah, it's gotta be love
(Da-da-da, da-da-da, da-da-da da)
I'm hovering right above the love

No more time for excuses
I ain't gonna back down
And no way I'm ignoring it
This is something new I found
But I just wanna take a ride
So I can just calm down
And know what's going on
Staring at the sunset
Like I always do

I wanna open up to you
And let you know, ohhhohoh
And just get it outta the way!

I'm just hovering in the air (Ahhhhhhhhhhh)

Right above love I'm about to fall in
I hope this gets me somewhere (Yeah!)
Cause I don't wanna be lost
You fill my head each day (every day)
And I won't deny it
Think I'm going the right way (ooooohhhohoh)
I'm about to fall in love
(Da-da-da, da-da-da, da-da-da da) (it's gotta be)
Yeah, it's gotta be love (Oh!)
(Da-da-da, da-da-da, da-da-da da) (Da da da da da
da)
I'm hovering right above the love

Take me, away
Hovering, in the clouds
Can't get, any better than this
Don't wanna be over you
Cause I don't want this to end
I better stop and realize!

(It's gotta be, gotta be love)

(Da-da-da, da-da-da, da-da-da da)
Ooh, it's gotta be love
(Da-da-da, da-da-da, da-da-da da) (no, no)
I'm hovering.....

I'm just hovering in the air (Yeahhhh)
(Right above love I'm about to fall in)
I hope this gets me somewhere
Cause I don't wanna be lost (Oh, no)
You fill my head each day
And I won't deny it
Think I'm going the right way (falling in love)
I'm about to fall in love
(Da-da-da, da-da-da, da-da-da da) (Oh yeah ah yeah,
oohohohh)
Oh! It's gotta be love! (It's gotta be, gotta be)
(Da-da-da, da-da-da, da-da-da da) (Dadadadadaa
daaaaa)
I'm hovering right above the love (oohh yeah)

(Da-da-da, da-da-da, da-da-da da)
I'm about to fall in love
(Da-da-da, da-da-da, da-da-da da)
Got me inches off the ground
(Fade)
