You said you hate the way I look  
You hate my personality  
Even though I'm like every other good guy  
You don't like where I live  
Well, that's too bad cause  
I'm having problems myself  
And you're just making it worse  
You're just gonna have to wait  
Hey hey hey hey hey!

I can't be what you want me to be  
I want you to love me for me  
And not someone else you wish I could be  
Cause I'm all that I am  
And I will always be who I am  
But you don't know that well anyway  
So that is why I can't be  
What you wish I could be

In the beginning  
We were so good  
We fell in love  
We didn't much on what we did  
But now you're doing this to me  
You're focusing on the stuff about me  
That makes little difference in life  
I don't do this to you  
So just let me, let me be!  
Hey hey hey hey hey! (Hey)

I can't be what you want me to be  
I want you to love me for me  
And not someone else you wish I could be  
Cause I'm all that I am  
And I will always be who I am  
But you don't know that well anyway  
So that is why I can't be  
What you wish I could be

Let me, let me be myself today  
Let me, let me be who I am

Gotta, gotta go the way I go  
Because, because you don't know  
How it feels to be in my shoes  
Let me, let me be myself today (Todayyyyyyyy)  
Let me, let me be who I am  
Gotta, gotta go the way I go  
Because, because you don't know  
How it feels to be in my shoes

I can't be what you want me to be  
I want you to love me for me  
And not someone else you wish I could be  
Cause I'm all that I am  
And I will always be who I am  
But you don't know that well anyway  
So that is why I can't be  
What you wish I could be

Love me for me  
Like I love you for you
