It was an honest mistake that I made
I didn't mean to do it
I've been trying to call you for days
When are you gonna answer the phone?
Been feeling so alone
I don't want this depression to take over me

So please just come around
Cause I'm feeling down
And you always cheered me up
And I have this to say...

I'm, I'm sorry
I'm, I'm sorry
You know I wouldn't hurt you
And I can't be with out you
I'm, I'm sorry
I'm, I'm sorry
I don't wanna have this happen
Because we can always work it out
Didn't want this to go my way
Cause sorry is the hardest word to say

Come on, you know I love you for you
And we've been together for about a year
Honestly, the reason I did that to you
Was that I thought I could back it up
I guess I was wrong
Didn't know it would cause something like this

So please just come around
Cause I'm feeling down
And you always cheered me up
And I have this to say, oh!

I'm, I'm sorry
I'm, I'm sorry
You know I wouldn't hurt you
And I can't be with out you
I'm, I'm sorry
I'm, I'm sorry

I don't wanna have this happen
Because we can always work it out
Didn't want this to go my way
Cause sorry is the hardest word to say

Hey, I'm calling out your name
I want you to know I'm sorry
And you gotta back me up
Cause sorry is the hardest word to say

(Sorry is the hardest word to say)

I don't wanna do this again
I don't wanna have this happen again
And again
And again
And again
Again again
Can't let you go now!

I'm, I'm sorry
I'm, I'm sorry
You know I wouldn't hurt you
And I can't be with out you!!!!
(I'm, I'm sorry)
(I'm, I'm sorry)
I'm sorry for being like this
And I didn't mean to do it
No, no oh oh yeah

I'm, I'm sorry
I'm, I'm sorry
I don't wanna have this happen
Because we can always work it out
Didn't want this to go my way
Cause sorry is the hardest word to say

(I'm calling out your name)
Just to say I'm sorry
