I've never been the one to cry openly  
I always hid my feelings  
I tried too hard to care a lot  
But in the end it was worth nothing  
I don't know why you're still here  
After all we've been through  
If you're willing to stay I don't care  
But if you wanna mess up again, it will be on you

It's alright  
I don't know if I'm better without you  
I'll just go along with whatever happens  
It's alright  
I'm fine if I'm alone  
Been alone for most of my life  
It's alright  
I'm not willing to fall for you  
Unless you wanna catch me  
It's alright  
It's alright

Here we are, with nothing beside us  
Feels like my imagination  
I'm not the one to get emotional easily  
I usually just go with the flow  
I won't be surprised  
When I catch you alone  
Cause I imagined you crying your eyes out  
But I'll say I'm still in love

It's alright  
I don't know if I'm better without you (I won't be sorry)  
I'll just go along with whatever happens (Alright)  
It's alright (It's okay)  
I'm fine if I'm alone  
Been alone for most of my life (Oooooohhhhhh)  
It's alright  
I'm not willing to fall for you (Will you catch me if I fall)  
Unless you wanna catch me  
It's alright  
It's alright, oh

And no matter what you say  
No matter what you say!  
I can just move on  
Oh!  
Or we'll move on together  
Whatever choice it is  
It's fine with me  
I'm not worried about anything (Anything)  
That's ancient history  
Been there, done that

I can't remember your voice (Your voice)  
I can't even hear my voice  
Something got to me  
Carry me away (Carry me away)  
Carry me away! (Carry me away)  
Ohhhhhhhhhhh (Ohhhhhhhhhhhhh)  
Woooooaaaaaahhhhhh (Woooooaaaaaahhhhhh)  
Ahhhhhhhhh (Ahhhhhhhhhhh)  
It's alright (It's alright)

It's alright (Ahhhhhhhhhhh)  
I don't know if I'm better without you (Without you)  
I'll just go along with whatever happens (It's okay)  
It's alright (It's alright)  
I'm fine if I'm alone (Alone)  
Been alone for most of my life  
It's alright (Something got to me)  
I'm not willing to fall for you (Ohhhhhhhhhh)  
Unless you wanna catch me (Oh baby, I'm gonna be alright)  
It's alright (Yeah)  
I'm alright (I'm alright)

Ohhhhhhhhhhhh (Ohhhhhhhhhhhhh)  
Woooooaaaaaahhhhhh (Woooooaaaaaahhhhhh)  
Ahhhhhhhhh (Ahhhhhhhhhhh)  
It's alright (It's alright)  
Ohhhhhhhhhhhh (Ohhhhhhhhhhhhh)  
Woooooaaaaaahhhhhh (Woooooaaaaaahhhhhh)  
Ahhhhhhhhh (Ahhhhhhhhhhh)  
It's alright (It's alright)  
(Fade)
