I'm just living my life  
Uh huh Uh huh  
Living my life  
Uh huh Uh huh

Oh yeah

I don't even need to worry  
About a thing  
I got my babe  
Ignoring anything people say  
Long as I know that  
I keep my personality  
And these emotions  
That I can't let people control me

So I gotta go back  
Do my own thing  
Got my own ways  
Got my own dreams  
This is for real  
It ain't a game  
I can do anything with my destiny  
And I say, no no!  
I don't need nobody telling what I should do  
Gotta be me, not nobody else but me  
I'm just living my life  
Uh huh Uh huh  
Just living my life  
Uh huh Uh huh

Ain't nobody taking me away  
Cause that's how people are these days  
It's addictive just, can't get enough  
I'm gonna be a shining star (uh)  
With fancy cars (yeah)  
And there's nothing you can to keep me back (Back,  
back, back)

So I gotta go back  
Do my own thing  
Got my own ways

Got my own dreams  
This is for real  
It ain't a game  
I can do anything with my destiny  
And I say, no no!  
I don't need nobody telling what I should do  
Gotta be me, not nobody else but me  
I'm just living my life  
Uh huh Uh huh  
Just living my life  
Uh huh Uh huh

Cause it's true  
We all wanna be famous  
So go ahead and say what you wanna say  
But I ain't complaining  
I like this part right here though  
How the good guy wins  
And the bad guy falls  
I even told you before:  
There's nothing you can do to keep me back (Back,  
back, back)  
I'm just laughing at you in so many ways  
Cause now I feel like Oh

Oh

My life is the reason why I'm thinking  
That maybe I can't do this anymore  
Should've never changed in a dignity anyway  
It went right out the door  
But I got a new right now  
It's even better then before  
And I just gotta do it (Do it, do it)

Uh huh

So I gotta go back  
Do my own thing  
Got my own ways  
Got my own dreams  
This is for real  
It ain't a game  
I can do anything with my destiny  
And I say, no no! (I sayyyyyy)  
I don't need nobody telling what I should do  
Gotta be me, not nobody else but me (There's nothing  
you can do to keep me back)  
I'm just living my life  
Uh huh Uh huh  
Just living my life (Live your life)

Uh huh Uh huh

So I gotta go back (Heyyyyyy)  
Do my own thing  
Got my own ways (Got my own wayyyyyyyyyy)  
Got my own dreams  
This is for real (It's for real)  
It ain't a game  
I can do anything with my destiny (As I can)  
And I say, no no!  
I don't need nobody telling what I should do (Wanna-  
wanna do with my life)  
Gotta be me, not nobody else but me  
I'm just living my life (My life)  
Uh huh Uh huh (Yeah)  
Just living my life (Living my life)  
Uh huh Uh huh (Oh-oh-oh)

Come on come on  
Uh huh
